

TRI-BUILT® #15 & #30 Organic Roofing Felt

Midwest & Northeast Region

DESCRIPTION:

TRI-BUILT® #15 & #30 Organic Felts are made from a tough organic felt saturated with asphalt.

USES:

TRI-BUILT® organic felts are accepted for use as an underlayment felt for steep-slope roofing shingles. The finished roofing product should be applied immediately after the installation of the TRI-BUILT® #15 & #30 Organic Felt.

STORAGE:

Always store rolls upright on pallets and in a dry protected area.

AVAILABILITY:

#15 & #30 organic felt is available in the Northeast and Midwest regions of the United States. Check with your TRI-BUILT® representative for availability.
