

TRI-BUILT[®] BITU-OX BIO-NT Multi-Use Solution

TRI-BUILT[®] Bio-NT is 100% Certified biodegradable and non-toxic, solvent based multi-use solution designed to liquefy tar and asphalt instantly. Bio-NT is a highly concentrated cleaner/degreaser/lubricant that can be diluted 3:1 for different tasks. TRI-BUILT[®] Bio-NT will emulsify tar, asphalt and oil, act as a powerful degreaser and adhesive remover, long lasting lubricant for metals, provide corrosion protection to metals, remove mildew and mold, inhibit and clean rust and perform as a water displacement or release agent for asphalt and tar. TRI-BUILT[®] Bio-NT is non flammable and will not freeze. TRI-BUILT[®] Bio-NT can be used safely on rubber, metal, vinyl siding, stainless steel, aluminum, plastics, painted surfaces, concrete, pavers, cinder block, chrome and more. TRI-BUILT[®] Bio-NT is the perfect cleaning solution because the effectiveness and high concentration will ensure it lasts a long time and eliminates the need to purchase specialized cleaning/lubricating chemicals. More importantly TRI-BUILT[®] Bio-NT will reduce man hours on cleaning tasks and prolong the lifespan of tools, equipment and machinery.

DIRECTIONS: Spray away from face and spray on any and all surfaces for effective cleaning and degreasing. Spray as needed to clean tough grease, tar or grime that collects and wipe away with wet towel or scour pad. Dilution Ratio 3:1 Non-flammable. Non-toxic.

WARNING: KEEP OUT OF REACH OF CHILDREN!

Eye Contact - Rinse with water. Get medical attention if irritation develops and persists.

Inhalation - If breathing is difficult, remove to fresh air. Call a physician if symptoms develop or persist.

Skin Contact - Rinse with water. Get medical attention if irritation develops and persists.

Ingestion - Rinse mouth with water. If ingestion of a large amount does occur, call poison control center immediately.

DO NOT INDUCE VOMITING.
