REPLACEMENT WINDOWS - PLUS SERIES

**GARDEN WINDOWS.** You don't have to have the greenest thumb in the family to watch nature blossom in your garden window. The bountiful sunlight they provide will keep your plants thriving year round.

# GARDEN WINDOW

Knee Braces

Pre-finished Laminated Seats, Jambs and Heads are Available in White and Beige

### Solid Surface Seat Options

Add custom style to your garden window by adding a solid surface seat available in six colors.

### FEATURES

- 1 New Generation uPVC vinyl never needs painting or caulking and resists conducting heat and cold
- 2 Tempered glass interior shelf adds space for plants (standard on units under 50")
- 3 Operating trapezoid casement side panels feature easy-to-operate, easy-to-reach, multi-point locking system
- 4 Fusion-welded frames and sash for extra strength and dependable performance
- 5 Available in white, beige or earthtone on exterior and white on interior. Additional color combination: beige exterior with beige interior
- 6 Add custom style to your garden window (available for bays/bows also) by adding a solid surface seat available in six colors
- 7 Sloped top lite is only available with a dual pane insulated glass unit
- 8 7/8" IGU glass systems offer energy-efficient InsulEdge standard and optional InsulEdge+ for improved performance

### Support and Insulation Systems

#### External Knee Braces

- Provides exterior support for bay, bow and garden windows<sup>1</sup>
- Available in white, beige, earthtone and sandstone
- Pre-finished to be maintenance free

<sup>1</sup> Required and included standard with garden window. Knee braces and cable system are required for bay/bow windows and are included with the window.

### Superior Insulated Seats

- Insulated with high density polystyrene insulating board combined with a 3/4" exterior grade plywood surface – 3" overall thickness
- R-Value of 7.6 – six times that of a typical non-insulated bay/bow window
- Available in white or beige (earthtone units are clad with brown coil)
