

700 BAY WINDOWS. Custom made with every detail in mind, our bay windows offer an array of designer accessories with endless design options. Bays available in 3 or 4 window, 35° and 45° configurations.

700 BAY

FEATURES

- 1 Maintenance-free multi-chamber PVC vinyl construction with fusion-welded corners for durability, weather-tight performance and beauty
- 2 Sleek fold-down and nesting crank handle minimizes interference with window treatments
- 3 Dual row of weatherstripping seals out the weather and seals in your comfort
- 4 Standard InsulEdge spacer system and PG glass package reduces energy costs; optional InsulEdge+ spacer system provides enhanced performance. For all PG and PG-X glass system upgrade options, see Glass Package Explanation on page 30
- 5 Multi-point lock with stainless steel hardware and fasteners for durability and added security
- 6 Frame types include no fin or nail fin with 1³/₈" setback with optional head and seat with jamb extensions¹
- 7 3⁷/₁₆" frame depth with heavy vinyl walls for strength and stability

Color Options

WHITE

CLAY

SAND

Bay windows available in white, clay and sand. Available with or without head, seatboard and extension jambs which come unfinished.

EXTERNAL KNEE BRACES

- 1 Provides exterior support for bay windows¹
- 2 Available in white, beige & sand
- 3 Pre-finished to be maintenance free

¹ Additional knee braces and cable system are required for bay window installation when head and seatboard with extension jamb options is selected. Failure to properly support a bay window will void the warranty.
