

TRI-BUILT® SMOOTH HT S/A UNDERLAYMENT

TRI-BUILT® SMOOTH HT S/A Underlayment is a self-adhesive membrane composed of SBS bitumen. This nonslip, flexible, self-sealing membrane can be used in outdoor temperatures ranging from -40°F to 220°F (-40°C to 104°C). It has an easy-to-remove silicone-treated release sheet (split-back) on the self-adhesive side. The top face is composed of non-slip plastic surface.

- Application Temperature: 40°F to 120°F (4.5°C to 50°C).
- Service Temperature: -40°F to 220°F (-40°C to 104°C).
- UV Resistant (60 Day Exposure)
- 47 Mils Thick
- Roll Weight: 49 lbs.
- Use Under Metal, Asphalt Shingle Roofs
- Anti-Slip Surface
- Self-Sealing Around Nails & Screws
- Clean, Fast & Easy Installation
- High Tensile Strength
- Effective And Hard Wearing
- Requires No Special Tools
- Consistent Thickness
- Florida Building Code, Miami Dade Approved, UL Listed, ICC-ES ESR-3492F
- 20 Year Material Warranty
